SCHEDULE 1

PART 1: THE PROJECT

As a result of barriers faced by some older LGBT people (due to illness, mobility or confidence issues) to participating in the organisation's LGBT Age Social Programme, LGBT Health ran a 6-month pilot providing regular outreach telephone support to more isolated older LGBT people. The pilot engaged with over 100 individuals and was well received.

In the COVID-19 context, the project will significantly scale up this Telefriending Service, with a small team providing this structured phone support to those who are particularly socially isolated and/or experiencing digital exclusion, and are therefore unable to benefit from the surge of social engagement happening in this sphere; this will help to address the issues older people have reported and ensure they can access practical support too.

Full details of LGBT Health and Wellbeing's addressing the support needs of older LGBT people project is as set out in the attached document:

PART 2: PAYMENT OF GRANT

1. The total Grant of up to £10,000 shall be payable by the Scottish Ministers to the Grantee on receipt of a completed claim for Grant in the form set out in Schedule

2. The total Grant shall be payable over April – September 2020 as per the payment schedule below.

	Amount	Claim Date
Payment 1	£10,000	April 2020
Total	£10,000	

3. The claim shall be submitted together with such explanatory or supplementary material as the Scottish Ministers may from time to time require whether before or after submission of the claim.

4. On receipt of each claim (and any required documentation and information), the Scottish Ministers shall determine the amount of expenditure which they consider the Grantee has reasonably and properly incurred in connection with the Project having regard to that claim. The determination shall be based on the information provided by the Grantee in accordance with this Schedule.

5. In order to facilitate the accrual of expenditure of the Grant for the financial year the Grantee shall, where appropriate, advise the Scottish Ministers in writing by 15 April the amount of the Grant actually expended up to and including 31 March in each financial year as appropriate.

SCHEDULE 1

PART 1: THE PROJECT

As a result of barriers faced by some older LGBT people (due to illness, mobility or confidence issues) to participating in the organisation's LGBT Age Social Programme, LGBT Health ran a 6-month pilot providing regular outreach telephone support to more isolated older LGBT people. The pilot engaged with over 100 individuals and was well received.

In the COVID-19 context, the project will significantly scale up this Telefriending Service, with a small team providing this structured phone support to those who are particularly socially isolated and/or experiencing digital exclusion, and are therefore unable to benefit from the surge of social engagement happening in this sphere; this will help to address the issues older people have reported and ensure they can access practical support too.

Full details of LGBT Health and Wellbeing's addressing the support needs of older LGBT people project is as set out in the attached document:
