Subject: Follow up on meeting between Kersti Berge and Christian Stenberg -  
dialogue on BOGA

Dear [redacted],

A couple of weeks ago, we hosted a meeting here at the Danish Ministry of Climate, Energy and Utilities between Director Kersti Berge and our Deputy Permanent Secretary Christian Stenberg. We wanted to extend our gratitude for a fruitful meeting and Director Berge for taking the time to come by.

During the meeting, we touched upon a range of energy related topics. From the Danish side, we confirmed our interest in engaging in a dialogue with Scotland on the Beyond Oil and Gas Alliance (BOGA). If possible, it would be highly appreciated if you could provide me with some information on who to contact on this matter.

Sincerely,  
[redacted]
