Subject: RE: [REDACTED]

Dear Keith,

RE: [REDACTED]

I am writing on behalf of my above constituent, [REDACTED], who contacted me below regarding proposals to release prisoners early.

I would be grateful if you could respond to her concerns and if you can provide information on how my constituent can engage with the public consultation.

I look forward to hearing from you so that I may respond back to my constituent.

Yours aye,
John

Dear Mr Swinney,

RE: Proposal of releasing prisoners early

I wish to voice my disgust at the SNP proposal to release prisoners after they have served only one third of their sentence.

Why would you think it right to prioritise criminals over victims?
