

BACKGROUND NOTE FOR S6O-02160

[Out of Scope]

The priority projects identified in the Infrastructure Investment Plan include the National Treatment Centres programme. This included the re-provision of elective orthopaedic services at Victoria Hospital, Kirkcaldy, which officially opened on 24 March.

In terms of preparing for the period beyond 2025-26, an exact timeline has not been agreed for publication of the next Infrastructure Investment Plan for 2026 and the following 5 years.
