**Subject:** RE: For Information: URGENT 2022-23 BUDGET ALLOCATION - ADDITIONAL CDEL

Hi [Redacted]

The level 4 line this should be added to is as follows –

Economy	ENFOR - Scottish Forestry	NZET	Woodland Grants	Delivery of tree planting target and sustainable management of woodlands. Part of the Scottish Rural Development Programme.
---------	---------------------------	------	-----------------	---

Our indicative allocation under this heading was £37.5M which would now be 48.5M.

Although our forecast requirement was £51.5M this is very good news!

Many thanks
