Subject: RE: NOTE FROM CABINET SECRETARY FOR FINANCE AND ECONOMY - 2022-23 SCOTTISH BUDGET – NOVEMBER ALLOCATIONS

Morning [REDACTED]

Please find attached the return for Scottish Forestry based on indicative allocations (Resource and Capital).

We are fairly comfortable on our Resource allocation as we have some EU income we can still fall back on to plug expected affordability gaps (22-23 only). However, there is a significant gap in our indicative Capital allocation which we briefly touched on last week. Further details on this have been included in our return.

Kind regards
