I think we need to speak to justice colleagues about this since the points raised essentially relate to the decisions from Police Scotland.

Separately I see that the Justice Minister is due to have a discussion with Police Scotland and has invited Ms Gilruth along to discuss Kenmure Street protests. We should check in with Justice colleagues about briefing for that meeting and we might want to try and get 10 minutes with Ms Gilruth in advance of that discussion.

Hi all,

So, all of the other Kenmure Micasas are being replied to as ORs. This has come in from [redacted], and [redacted] as an MR, and makes specific asks of Ministers – though, as the others, is from May. Would be good to get your views on how best to approach this?

Best,
