Hi [Redacted],

It was brought to my attention that the attached allocation letter for supporting the implementation fo the Health and Care (Staffing) (Scotland) Act went to an old email address.

My apologies and please therefore see the attached.

Best,

Morning [Redacted] and thank you for solving the mystery.

[Redacted]'s email address has changed to [Redacted] at the end of last year and the NHS no longer informs senders of the change hence no undelivered message. [Redacted] is not in work at the moment but if you send to his @nhs.scot email his [Redacted] his PA will ensure teh letter is disseminated as required.

Many thanks for your assistance.

Hi [Redacted],

It was addressed to [Redacted], Director of Nursing, Midwifery and AHPs at the following email address, which was the contact email that was listed in SG's NHS contacts at the time:

[Redacted]

The email never returned an undelivered message, so I assumed it had been delivered.

I can see that [Redacted]'s own email address has since been included in SG's NHS contacts.

If you are having difficulty locating it, I can resend it to the updated email.

Best,

Hi [Redacted],

I've been following up on the issue of the H&C (Staffing) Act Board Allocation sent to Boards w/c 6 Sep 21 within NHS Orkney and it would appear the interim DoNMAHP, interim Dir of HR not David's PA have had sight of the letter. Are you able to advise who in NHSO the letter was sent or direct me to whom I can ask.

Many thanks
