Hi [Redacted],

I realised that I sent you a Word draft of the letter rather than the actual letter to be sent out, so please find attached the correct version.

There had been a wifi problem at my end on the day all of the allocation letters were sent out, which I only became aware of as a result of yours and another contemporaneous query, so thanks for drawing my attention to it.

The correct letter has been resent to [Redacted], Nurse Director.

Please let me know if you have any questions.

Best,

Subject: SG ALLOCATION JULY

[Redacted] we received £68,076 under the heading "Implementation of Health and Care Act" under Ref 157 on our allocation letter dated 1st August.

Do you have a supporting letter detailing what this money is for as we have been trying to identify a home for it within Ayrshire.

Thanks
