Dear [Redacted],

NHS Dumfries & Galloway Band 8A Workforce Lead Budget Allocation FY 21/22

Thank you for bringing to our attention your concerns regarding NHS Dumfries and Galloway's allocation for the FY 2021/22.

We can re-confirm that the Allocation Letter for the year in question was sent to the Board's Nurse Director, Alice Wilson on 22 July 2021, a copy of which is attached, and was further confirmed in an email to Alice on 6 September 2021 in response to her enquiry about the allocation at that time.

We have also checked the allocation transfer date and can confirm that it was distributed to the Board during the allocations occurring between 22-30 July 2021.

Hopefully, this letter will help provide clarification to your Finance colleagues regarding the funding for FY 2021/22.

We will revert to you in relation to FY 2022/23.

Please contact [Redacted] if you require further clarification.
