

Craig Dalzell to SG Central Enquiry Unit

13 June 2022

To whom it may concern,

After communication with the Information Commissioner, I understand that publication of responses to FOI requests to the Scottish Government onto the Scottish Government website is merely considered "best practice" and a direct response to the requester is considered fully compliant "publication" under FOI legislation.

I am contacting you to request the following information under the Freedom of Information (Scotland) Act 2002:

How many FOI requests were received by the Scottish Government, how many responses were published on the Scottish Government website and how many responses were published only via direct communication to the requester in the calendar year 2021.

Thank you  
Craig
