Hi there

I had a few file size issues.

Last one I hope.

Hi there [REDACTED]

File sizes were too big so I have zipped this.

Attached are a number of files as requested. I've added a couple including the draft report from the GPDeepend and the work we did with Smart Energy GB.

If there is anything else, just let me know.

Hi Christine

Thanks for sight of the Q3 progress report. I will reach out to Frazer directly to arrange a catch-up, as we were abruptly cut-off on our call pre-Christmas with a building evacuation my side.

A few quick asks below if you are able to share this further information:

- referenced information resource produced with SP Networks funding;
- Panel membership and remit on the inequalities project;
- Fuel Poverty Challenge Fund projects supported and scope;
- EHA grant provided and objectives; and
- Copy of [REDACTED] FP paper.

Cheers

Hi there [REDACTED]

I'll pull that information together and get it over to you.

Quick question from me. When is the Scottish House Condition Survey getting published? I thought it was originally down for February?

Hi **Frazer**

I hope all is well. Thanks for the EAS BP document, it would be helpful to have more of a breakdown and objectives related to SG funding. As previously discussed, if you wish to split this based on core staff costs – there is no issue with this approach – but useful to have clear outputs against roles, contributing to FP outcomes.

I will include the EAS bid of £150K as part of our Cab Sec FIF recommendations, in order to provide an early decision in principle.

I'd be pleased to catch-up again, when you have some availability.

Cheers

Hi there [REDACTED], I'm off for a few days. Our trustees meeting was at the end of last week. I've a few minor changes to make. COP Monday for the outline I shared with them. I'm afraid now to take time off. 3 mini breaks in a row, Johnson, Truss, and Nicola Sturgeon. Politics is a strange old business indeed. Frazer

Morning Frazer

I hope all is well.

Can I please ask you to submit the EAS proposal bid for 2023/24 to me as soon as possible or indicate when this will be received, I appreciate this may need board sign-off. We will be considering Fuel Insecurity Fund partner bids, to shape advice to the Cabinet Secretary post recess, in order to provide early assurance out to partners.

An interesting day in the world of politics.

Cheers

Hi Christine,

Thanks for getting back to me so quickly. We were just looking for a rough indication on when the payment will be paid out. Therefore we can go with the timescale of payment going out before end of March.

Thanks

Hi [REDACTED]

We would normally request this approximately 10 days before the end of March.

Our Q4 report would almost be complete by then and we can make assumptions on bits that are not quite complete.

If, however, you would like the grant claim made earlier and the report to follow in the first few days of April I can arrange for that.

Let me know how you would like to do it.

Kind regards

Christine

Hi Christine,

Hope you're well?

Grateful if you can provide an rough time of when you'll be putting in your last payment of £37,500, in order for the finance department have the funds in place. Much appreciated.

Kind regards

Afternoon Frazer,

It was good to speak with you on Friday afternoon around approach and proposal this year.

I am pleased to confirm the new Cabinet Secretary has approved our FIF allocations for 2023/24. EAS will receive £250,000 overall this year from our budget allocation.

I will pick up with you on finalising agreed objectives within the Grant Offer Letter, which will subsequently follow in due course.

If you have any questions meantime, please let me know.

Cheers

**Subject:** Winter Heating Stakeholder Reference Group Meeting on Monday 17 January

Dear all,

Thank you very much for attending the Winter Heating Stakeholder Reference Group on Monday 17 January. We appreciate your participation and particularly welcome your feedback on our proposals for Low Income Winter Heating Assistance.

I have attached the following documents:

1. a copy of the minutes detailing the main discussion and issues raised within the break out rooms; and
2. a copy of the slides used on the day.

We are eager to continue engaging with you on this topic and are available to discuss the consultation further, if individual organisations wish to do so before submitting their responses. If this is the case, please get in touch to arrange a further meeting. We would also welcome the opportunity to discuss the proposed payment and the impact with your organisation, membership or communities.

Please remember that the consultation is still live and will be open until 23 February.

#### Consultation details
