note 2	<p>Figures presented here may not be consistent with the official, headline statistics publication. These tables are based on data extracted from live databases at a different point in time.</p> <p>Differences may be due to AiB's Retention and Destruction policy which allows for the destruction of data for cases that have been completed/revoked/rejected/withdrawn after a set time. More details on the policy can be found on the AiB website: https://www.aib.gov.uk/eden-retention-and-destruction-policy</p> <p>The headline statistics are the definitive source on the number of Debt Payment Programmes under the Debt Arrangement Scheme.</p>
