Hi [REDACTED]

This is the bio shared with SG before last year's FM meeting: In August 2021, Greig Rooney joined Valneva as Vice President Operations. He has over 20 years of experience in the pharmaceutical industry leading change and improvements across site operations, engineering, PMO, supply chain, and logistics. He previously ran the GSK Montrose site and recently relocated back to Scotland with his family.

I'll need to look into a photo.

Thanks
