Subject: A90 Southbound approach to Forfar Road, Dundee

Good afternoon [Redacted 38(1)(b)]

As discussed could you please speak with the Dundee City UTC team and see if they can alter the timings on the traffic signals to allow for more green time for southbound traffic. Due to traffic not turning into Claverhouse Road the A90 has seen substantial delays with traffic queuing back past Emmock Roundabout.

Any help would be grateful received.

Regards
