Thanks David

(Redacted) – happy to feed in discussions I’ve had about Ministerial preferences. Do you want to set up a call?

Adding (Redacted) to this exchange. (Redacted) is the policy lead and been involved in this project and with all stakeholders for some time. (Redacted) and I discussed previously and she is well placed to highlight ministerial preferences.

Morning ^(Redacted)

Hope you are well. I hear your session on the Bank team call went well.

I understand we may be looking to announce this investment next week.

Have you been able to progress?

Happy to chat through.

Hi ^(Redacted)

As discussed when we met, we are pulling together the comms around the Bank's investment in Circularity Scotland.

I have attached the draft release, currently scheduled for issue during the first week of May.

We thought it might be appropriate for a Minister to be involved in the announcement, potentially with a photo and social media support.

Would you be able to progress discussions around this on the Bank's behalf? I understand David Ritchie may have already had some initial conversations.

Please let me know if you need any more background.

Many thanks.
