

5. Next steps ([Redacted])

On next steps: no questions or challenges on process

6. Ongoing monitoring of policy ([Redacted])

The SG was asked which discussion for a BEIS/ETSU should look to join.

Action: BEIS to discuss whether we want a new representative on IGCBN to replace [Redacted] who has left the team. ([Redacted])

Action: The SG was invited to contact us via email for any further suggestions. (All Steering Group)

On substantial research to track: [Redacted] suggested looking at RIVM, the Dutch Government research agency for health and the environment, with a remit that includes wind farm effects. Contacts are [Redacted] and [Redacted].

7. AOB

[Redacted]

[Redacted]

Action: [Redacted] to introduce [Redacted] to the BEIS Heat Pump team. ([Redacted])
