Ellie, thanks for the good call earlier today.

As discussed, please find attached:

- supplementary briefing doc (Key Anticipated Questions & Points to raise) – this addresses the points from the chain below;
- the topical FMQs up to date for this week (Oil & Gas) (Energy) (Bifab / H&W)
- 10 things to say – some top talking points we can deploy if pressed at any point

I'll be around tonight so please do let me know if anything else is needed or if Cab Sec has any Qs working through prep.

Thanks

Hi [Redacted],

Thanks – this is all in hand across the teams. We'll also provide the latest FMQ materials separately so Cab Sec has most up to date content.

Cheers

Hi**[Redacted]**,

Following the Pre-Meeting with Ms McAllan – see below additional bits to provide, please.

- Short lines on definition of JT and whether this is shared? (for Catriona)
- Short lines on definition of Green Job. (for Catriona)
- Short bullet list of key asks of UKG (Track 2 confirmation dates, Grid investment, match JT fund – any more?)
- Bullets of key engagements to date grangemouth generally and for the JT Plan so we can demonstrate we are collaborating now and will continue to.
- Co-design likely to be a big theme – key lines on what co-design will mean between us and JTC (picking up on criticism from JTC re energy JTP) (for Catriona) and how we will co-develop with communities, TUs, Workers. (examples, I think, will be funding the STUC work. Funding a community project officer)
- Anything on agency staff make up of GM
- Distillation of letter from JTC and improved relations with JTC since critical letter (for Catriona)
- Monitoring lines – how will we track whether a JT is being delivered at GM – and how can committee be involved in this?
- Lines on the Alignment of this plan with others
- Top positive things we can say tomorrow – e.g. UNITE said our engagement should be a model
