Subject: RE: Minister Visit to North Lanarkshire Council Towerblocks Visit 24th October 16:00 - 17:00

Hi (REDACTED)

That's fine – either myself or (REDACTED) can provide official support. I don't mind it's on my non-working day given that it's later in the day. We can put a few lines together on the affordable housing programme at some point next week.

Regards

Subject: Minister Visit to North Lanarkshire Council Towerblocks Visit 24th October 16:00 - 17:00

Importance: High

Dear (REDACTED),

I hope this email finds you well.

I just wanted to get in touch to let you know that Mr Gray is meeting with North Lanarkshire Council to see the work the Council have done so far in creating longer-term accommodation for Ukrainian displaced people.

They currently have some families already living in Birkshaw tower block in Wishaw, and we were hoping that you would be able to attend this meeting to offer support to Mr Gray, as Area Officer?

The relevant COMM's departments are liaising and we will be able to provide you with a schedule in due course.

I look forward to hearing from you soon and please do not hesitate to get in touch should have any queries.

With grateful thanks

Best Wishes
