DFM Meeting with Fiona Duncan, 8 Feb 2022

Attendees: Deputy First Minister, Fiona Duncan, **[redacted]** (PS)

DFM met with Fiona Duncan to discuss her role as Chair of the Promise Scotland. DFM stated at the outset that he was very grateful for Fiona's contributions and now would not be the time for any diminution of input from her. He therefore wished to maintain the status quo. Fiona stated that timing was unfortunately not aligned, as the Government had not yet taken final decisions on the National Care Service, which could have bearing on how she wishes to proceed. DFM and Fiona agreed to keep in regular contact as matters progress.
