PS Minister for Environment and Land Reform for action

PS Minister for Europe, Culture and International Development for action

PS Cabinet Secretary for Net Zero for portfolio interest

Please find attached a submission as referenced by Liz in her email below seeking approval for funding for a £5m announcement at COP27.

AO approval has been sought and now has been received from the Permanent Secretary. Officials would be grateful for an urgent response in order to include detail in briefings for the FM in advance of her travelling.

Best regards
