

Chief Scientist Office

Research Projects in Brain Tumours funded

May 2007 – November 2014

No Brain Tumour specific research projects funded

November 2014 – May 2021

ETM/405 – awarded 2015

Mitochondrial poisoning as a novel strategy to overcome radiation resistance of Glioblastoma

Professor Anthony Chalmers

University of Glasgow

£225,273

Total November 2014 – May 2021 - £225,273

May 2021 – March 2024

TCS/23/18 – awarded 2023

Assessment of Brain Tumours with Dynamic T2* and Lactate MR under Oxygen Challenge to Evaluate Aerobic and Anaerobic Metabolic Status of Gliomas

Dr Natasha Fullerton

NHS Greater Glasgow & Clyde

£299,918

TCS/21/05 – awarded 2021

Developing representative models of the blood-tumour barrier to enhance drug development for glioblastoma

Professor Anthony Chalmers

University of Glasgow

£296,865

Total May 2021 – March 2024 - £596,783
