Hi both,

Hope you're doing alright. Unfortunately, I don't have good news on the timing of Stage 1.

The Minister for Parliamentary Business' office has been in touch and, given other business, it looks like it will be [redacted under Section 27 (1) - Information intended for future publication], before a Stage 1 debate can be scheduled for this Bill. However, the Minister's office has agreed that if Chamber time becomes available, i.e. if something else drops out of the schedule, then we'll do the debate earlier. [Redacted under Section 30(b)(i) - free and frank provision of advice].

I know you wanted this earlier but given the scheduling difficulties are you content with this or does this raise other difficulties I'm not aware of?

Thanks,
