Dear [Redacted: Section 38(1)(b)]

Thank you for your email of 31st July 2023 in relation to Parliamentary questions.

I note below our responses to your enquiries.

1. To ask the Scottish Government what information it holds on whether any risk assessment was undertaken in respect of any potential corrosion of cadmium piping at the Queen Elizabeth University Hospital, and the possibility of a carcinogenic being released as a result of any such corrosion.

[Redacted: Section 30(b)(i)]

2. To ask the Scottish Government whether it was aware of any presence of cadmium in pipes within the air conditioning system at the Queen Elizabeth University Hospital.

[Redacted: Section 30(b)(i)]

3. To ask the Scottish Government what information it holds on whether any cadmium-plated pipes were fully water tested before the Queen Elizabeth University Hospital opened.

[Redacted: Section 30(b)(i)]

4. To ask the Scottish Government whether any specific funding was provided for the cleaning of the air conditioning systems at the Queen Elizabeth University Hospital, and, if so, how much was allocated.

[Redacted: Section 30(b)(i)]

I trust the above answers you questions.

Should you have any further queries, please do not hesitate to contact us.

Kind Regards
