They possibly met at COP26 (FFM certainly did, on a panel) but not 100% sure about that.

I'm sure you've covered but if not please mention Feminist Approach to International Relations. Ms McKelvie recently discussed with Spain's Ambassador at large for gender equality María Jesús Conde Zabala at Reykjavik Global Forum

Spain is increasingly becoming a Hydrogen hub, how can we learn from their experience?

Pedro Sanchez has now been elected President, how can we strengthen our collaboration with the national government? Population policy, energy, cultural collaboration

Good morning folks

Managed to secure bilat between FM and VP Ribera. I've already done briefing as it needed done yesterday so no worries there. Anything in particular I need to know prior to this? Have we met her before? Sensitivities? Hooks?

Thank you!
Yours
