Friday 17 November to Saturday 18 November

[Friday 19:53] [redacted]

Hi [redacted], it's [redacted] DFM's office. Could you possibly check if a pre-record on Sunday is possible. DFM is at a relatives over the weekend and isn't sure if the wifi / connection will be suitable for live.

[Friday 19:53] [redacted]

Hi [redacted]. Will do. What time might be possible?

[Friday 20:17] [redacted]

Thanks [redacted]. DFM will let me know tomorrow. She is travelling so will know a bit better tomorrow on timings and connections for wifi.

Morning [redacted], DFM has got back to me. On the basis of likely tech issues, DFM will now withdraw from this bid. DFM has noted that she could be made available for GMS on Monday morning instead, if there was a request. I will come back on the email thread for the benefit of the wider copy list.

Hi [redacted], I'm on duty for comms today so picking the Sunday Show bid back up

[Saturday 09:47] [redacted]

I went back to the producer but they've asked if DFM might be available at 9am for a pre-rec so said I would check

[Saturday 09:47] [redacted]

will put an email round but giving you a heads up here first

[Saturday 09:49] [redacted]

Morning [redacted], thank you. DFM has said due to tech issues she would be unable to do the bid. For awareness, I understand she is visiting family and there is no wifi + she will be travelling as well.

[Saturday 09:50] [redacted]

thanks [redacted], do you want me to just go back to the Sunday Show to say she can't do the earlier slot either then? Rather than put into the system?

[Saturday 09:51] [redacted]

Yes, DFM is now just unable to do the Sunday Show bid tomorrow but did mention about GMS on Monday instead, if it were to come up.
