DFM, to flag there are some lines to clear and a media bid, all in your SG inbox;

Email at 13:19 – Sunday Show bid

Grateful for your consideration this evening.

*19:46 PO*

DFM, to note the Sunday Show can do the interview virtually. Comms will follow up tomorrow with timings and format details.

Right ok if I must, can we do as a pre record as I'm not sure how good [redacted] WiFi is or isn't so don't want to do live

*19:51 DFM*

I'm assuming she has WiFi of some sort otherwise I will need to use my hotspot

*19:51 PO*

Thanks DFM, I will ask about pre-record.

*20:00 DFM*

And make them aware that I will only know the WiFi situation when I get there & test it tomorrow night so a back up may be a good idea

*20:18 PO*

Will do DFM. Will let you know the details tomorrow.

Morning, I called [redacted] again last nite & she doesn't think she has any WiFi anymore [redacted] so think I should withdraw on tech basis & we should offer me up for GMS on Monday morning instead, thanks

Morning DFM, thanks for this note, absolutely understand. I will go back to comms.
