

[18/06/2020, 13:44:35] C19 AG Secretariat: Messages and calls are end-to-end encrypted. No one outside of this chat, not even WhatsApp, can read or listen to them.

[18/06/2020, 13:44:35] Daniel Kleinberg : Daniel Kleinberg created group "C19 AG Secretariat"

[18/06/2020, 13:44:36] C19 AG Secretariat: Daniel Kleinberg added you

[18/06/2020, 13:45:06] Daniel Kleinberg : All - a channel for secretariat team and Andrew.

[18/06/2020, 18:21:40] Daniel Kleinberg : I've a lot of learning and prep to get up to speed for Thursday!

[19/06/2020, 13:58:25] Daniel Kleinberg : DFM has asked if the sub group on education could meet before Thursday. I've said that we are likely to have 2m on the agenda for substantive discussion in any case, so Carol T bringing in any substantive considerations from the sub group would be neat.

[19/06/2020, 13:58:40] Daniel Kleinberg : Andrew - is that ok with you?

[19/06/2020, 13:59:11] Andrew Morris: Great

[19/06/2020, 14:00:44] Daniel Kleinberg : I said the key would be staying on the science, both of transmission but also the costs and benefits of school attendance. There are a series of sensible questions for the sub group which I will put to you and the secretariat.

[19/06/2020, 14:04:07] Daniel Kleinberg : ██████████ - might take a bit of Slack coordination.

[19/06/2020, 14:55:10] ██████████ had set up a slack channel for the education sub group, so their discussions should be separate but accessible.

[19/06/2020, 14:56:30] Daniel Kleinberg : ☺

[19/06/2020, 14:57:18] Daniel Kleinberg : In other news mandatory flu vaccines for HSC workers a Cab Sec question.

[19/06/2020, 14:57:29] Daniel Kleinberg : One for Harry's group, perhaps.

[19/06/2020, 15:06:12] ██████████ : Yes, Derek Grieve has suggested this and asked to have a call with Harry next week

[19/06/2020, 15:13:53] Andrew Morris: Hi folks

A random thought is that we should pull together an organogram which outlines the CMO advisory group; including the subgroups. Then we can start to see how it all fits together in a coherent way! Let me know if you think this is a good idea

Andrew

[19/06/2020, 15:14:26] ██████████ : Great thought! We discussed this on our team catch up this morning so it's in the works

[19/06/2020, 15:43:46] Daniel Kleinberg : We were also going to add other scientific groups in the landscape.

[19/06/2020, 15:43:55] Daniel Kleinberg : Just had a good call with Carol T.

[19/06/2020, 16:53:20] Daniel Kleinberg : A wee thought - Devi has just published a paper on elimination as a strategy to Slack. I'm not sure if it's

status - but as the last paper on schools became a Sun article and this one is some way ahead of thinking in other parts of the group, worth Andrew asking if Devi wants to bring it to the group for discussion?

[19/06/2020, 18:06:56] Daniel Kleinberg : [REDACTED]. Worth a Chair's intervention early next week...

[19/06/2020, 18:10:01] Daniel Kleinberg : I'm signing off now - weekend off but use this channel if you need me to check something urgently.

[19/06/2020, 18:13:27] [REDACTED]: Same here. Have a good weekend all!

[19/06/2020, 18:14:14] Daniel Kleinberg : [REDACTED] - thanks again. ✨

[19/06/2020, 18:36:07] Andrew Morris: Thanks team!

[19/06/2020, 20:05:19] [REDACTED]: Andrew - if you let me know here when you've sent your response to FM's questions on the last meeting's minutes I'll log on and make sure they get to FM's office. Apologies if you've already done so; my outlook has stalled and is refusing to do anything at the moment.

[19/06/2020, 22:02:36] Andrew Morris: Hi team

Just sent to [REDACTED], Daniel and [REDACTED]

Critical comments please

Sorry for the delay

Andrew

[19/06/2020, 22:27:42] [REDACTED]: Thanks Andrew, much appreciated.

[20/06/2020, 09:13:40] Daniel Kleinberg : I can look at these later, [REDACTED].

[20/06/2020, 09:13:57] Daniel Kleinberg : If you've not already sent on.

[20/06/2020, 10:18:21] Andrew Morris: Thanks Daniel and [REDACTED]

Please shout if any issues

Have a good day

Andrew

[20/06/2020, 12:11:01] Daniel Kleinberg : Andrew, I've offered three minor comments to allow us to forward on. See my email of just now.

[20/06/2020, 12:12:21] Daniel Kleinberg : Apologies for delay. [REDACTED]

[REDACTED]

[20/06/2020, 14:04:34] [REDACTED]: Andrew - I've come back to you with a question on interpretation of the Zoe data for Scotland. It would be helpful to say a bit more about what can be taken from the 5% & 95% charts and we'd appreciate your assistance with that. If you can let me know here when you've responded I'll get the AG's advice of to FM with that added to the covering email.

[22/06/2020, 18:44:47] Daniel Kleinberg : Latest version of DFM statement acceptable- and the briefing now also ok. Phew!

[22/06/2020, 18:52:39] Andrew Morris: Thanks Daniel

Good footwork!

Andrew

[22/06/2020, 18:53:02] [REDACTED]: Thanks for chipping in in that Daniel - much appreciated. I did eventually get back onto the system and have sent you a link to the SAGE minutes for the discussion referred to in the Cab Sec advice you shared - though had to log in three times before I could access it. Not a productive afternoon all in all. No sign of the minutes from Andrew as yet - I'll drop him a reminder before I log off. I don't want to harass him about them, given everything else that's been going on, but keen to get them published tomorrow.

[22/06/2020, 19:10:05] Daniel Kleinberg : As he's on this channel, consider him gently reminded but not harassed 😊

[22/06/2020, 19:10:22] Daniel Kleinberg : And thanks both for support today.

[22/06/2020, 19:14:33] [REDACTED]: Thanks Daniel. Thanks in advance

Andrew.

[22/06/2020, 19:17:06] Andrew Morris: Thanks team for the nudge which is perfectly OK!

I shall do this now

All best wishes

Andrew

[22/06/2020, 20:22:32] Daniel Kleinberg : FM has a meeting at 915 to be informed of the outcome of the 2m review. [REDACTED].

[22/06/2020, 20:23:22] Andrew Morris: [REDACTED]

Is that tonight or tomorrow?

A

[22/06/2020, 20:23:57] Daniel Kleinberg : Sorry - tomorrow am

[22/06/2020, 20:28:44] [REDACTED]: From BBC News website Evening Update "PM expected to announce if pubs can reopen.

Boris Johnson is expected to announce if English pubs can reopen in July when he gives an update tomorrow. Non-essential retail shops have already reopened in England and in Wales today, and Health Secretary Matt Hancock has said the country is on track to further ease lockdown restrictions. The hospitality sector has been asking for the 2m social distancing guidance to be relaxed, and the prime minister told people to "watch this space" ahead of his announcement on Tuesday."

[22/06/2020, 20:29:18] Daniel Kleinberg : Watch this decreasing space.

[22/06/2020, 20:29:37] Daniel Kleinberg : Pubs over schools... [REDACTED]

[23/06/2020, 08:40:35] Daniel Kleinberg : I'm going to spend some of this morning working through the UK gov stuff on 2m - attending a briefing from them later.

[23/06/2020, 09:07:22] [REDACTED]: Not much in the SAGE minutes, but I haven't ventured into the background papers.

[23/06/2020, 09:08:36] Daniel Kleinberg : I think it was done by the English CMO and CSO but the communication has been non-existent.

[23/06/2020, 11:18:31] Daniel Kleinberg : Just emailed key points of call with Harry. He's still forming thinking...

[23/06/2020, 11:34:37] Daniel Kleinberg : Toilets are a big issue! Has the group ever considered? I think Sage was looking at this. Integral to so much reopening.

[23/06/2020, 11:36:24] [REDACTED]: Some discussion in the minutes of 18 June SAGE.

[23/06/2020, 11:44:38] Daniel Kleinberg : Can you ping on to me?

[23/06/2020, 11:53:39] [REDACTED]: I emailed you the link yesterday @18:36

[23/06/2020, 11:55:07] Daniel Kleinberg : Ah - it's on objective connect. Can't access it.

[23/06/2020, 11:56:15] [REDACTED]: I'll get the Objective link resent to you Daniel.

[23/06/2020, 11:56:40] [REDACTED]: I'll send you the doc

[23/06/2020, 12:00:23] Daniel Kleinberg : Ty both. Is anyone invited to and going to the education subgroup this afternoon?

[23/06/2020, 12:03:03] [REDACTED] Not been invited to the group. I know they're meeting from 3-4.30pm

[23/06/2020, 12:06:56] [REDACTED]: We have a copy of the invite and we can attend but haven't confirmed who will.

[23/06/2020, 12:07:51] Daniel Kleinberg : Ok. Will I take the first one with a view to handing on future meetings?

[23/06/2020, 12:09:18] [REDACTED]: That's good. SAGE minutes should now be with you.

[23/06/2020, 13:03:09] Daniel Kleinberg : Ty. Big stuff from HMG. I've got a

meeting with Cabinet Office at 1630.

[23/06/2020, 13:06:22] Andrew Morris: Oh! Will it cause choppy waters here?
Andrew

[23/06/2020, 13:18:24] [REDACTED]: Andrew - PM has announced reduction to 1M in England from 4 July though focus on pubs rather than schools. Advice to be published 'this week'.

[23/06/2020, 14:27:01] Daniel Kleinberg : [REDACTED]
[REDACTED]

[23/06/2020, 14:28:08] Daniel Kleinberg : Separately, I'm currently suggesting Education colleagues don't commit to our Group publishing our advice on 2m and schools. But we might wish to?

[23/06/2020, 14:31:14] [REDACTED]: Some of our advice on schools reopening were published in the scientific advice on schools and ELC from 26/05. If we do publish this I imagine we would need a clear explanation of why other advice isn't published

[23/06/2020, 14:32:09] Daniel Kleinberg : [REDACTED]
[REDACTED]

[23/06/2020, 16:40:52] Daniel Kleinberg : Cabinet Office briefing on 2m postponed until tomorrow. [REDACTED]

[23/06/2020, 16:41:10] Daniel Kleinberg : Subgroup on education went very well, I think

[23/06/2020, 16:47:32] [REDACTED]: Great that the subgroup went well.

[23/06/2020, 16:54:27] Andrew Morris: Good to hear!

Can we think through agenda for Thursday and Friday Cabinet briefing?

Happy to join a ZOOM

Andrew

[23/06/2020, 16:58:06] Daniel Kleinberg : Andrew - when would suit?

[23/06/2020, 16:59:04] Daniel Kleinberg : [REDACTED]
[REDACTED]

[23/06/2020, 17:47:07] [REDACTED]: Andrew - just sent you the out-of-hours school care advice to review. Could you message me here once you've sent this back to us. I'll send this out this evening (due today).

[23/06/2020, 18:52:09] Daniel Kleinberg : Advisory Group advice on 2m a big theme of Ministerial announcements today. Sticking with by 2 July line which is good. Sure we will be asked to comment on UK evidence for change if/when it appears

[24/06/2020, 14:14:12] [REDACTED]: image omitted

[24/06/2020, 14:15:10] [REDACTED]: FM's full announcement, highlighting references to the advice from the group, posted to slack

[24/06/2020, 14:31:23] Daniel Kleinberg : Fm was asked to advise on 2m before 2 July by Jackson carlaw. She held the line c

[24/06/2020, 15:19:19] Daniel Kleinberg : There is suddenly a countenancing of congregation indoors. Down south, and progress dependent here. I suppose the question is at what point in terms of infective pool does that seem reasonable?

[24/06/2020, 15:42:16] [REDACTED]: Not before 23 July according to the routemap - subject to protective measures? 'nae singing'?

[24/06/2020, 16:45:38] Daniel Kleinberg : Indeed. Let's hope it's ode to joy not gotterdammerung

[24/06/2020, 16:46:15] Daniel Kleinberg : [REDACTED]
[REDACTED]

Ring if you need me, I'll be online later.

[24/06/2020, 17:42:01] [REDACTED]: Andrew - group comments on FM request just sent with revised agenda, summary of current requests for advice & future

agenda items - asking about next steps on FM advice.

[25/06/2020, 11:20:59] [REDACTED]: Andrew - I've sent you an email on this. FM has asked for a briefing at 3pm tomorrow.

[25/06/2020, 11:39:25] Daniel Kleinberg : [REDACTED]

[REDACTED] I think very keen to offer things kids and young adults can do over summer which keep them engaged. Suspect lots on relative risks between 5/10/15/20/25 yo.

[25/06/2020, 11:40:54] Daniel Kleinberg : [REDACTED]

[25/06/2020, 11:41:36] Andrew Morris: Good analysis- sent email about deep dive

[25/06/2020, 12:39:17] Daniel Kleinberg : FM press conference now. Good numbers but a lot on progress contingent. Virus has not gone away. Provisional indicative dates.

[25/06/2020, 13:01:54] Daniel Kleinberg : Emphasis on infection numbers rather than distancing per se.

[25/06/2020, 13:02:09] Daniel Kleinberg : That in relation to schools.

[25/06/2020, 13:09:28] Daniel Kleinberg : Question suggesting DFM has indicated masks might be needed for older pupils.

[25/06/2020, 13:53:00] Daniel Kleinberg : Good job pulling the advice together guys. Looks a solid platform. I have some thoughts but will use slack. BAME reference needs unpacking, I think. Usual comment on age - segmentation should be discussed and if we can't go further for lack of evidence let's say that. And finally some clearly felt constrained by 2/1.5/1 - in schools at least I think we are saying none at all for children is on the table.

[25/06/2020, 13:56:43] Daniel Kleinberg : Our previous advice of 8 May might be good quarry, if still current.

[25/06/2020, 13:56:58] Daniel Kleinberg : image omitted

[25/06/2020, 20:46:05] Daniel Kleinberg : Worth adding in a ref to mitigations paper?

<https://www.gov.uk/government/publications/transmission-of-sars-cov-2-and-mitigating-measures-update-4-june-2020>

[25/06/2020, 20:51:36] [REDACTED]: Yes, I think there was at least once reference to it in the text.

[26/06/2020, 08:12:14] [REDACTED]: Sir Harry on GMS just now

[26/06/2020, 08:39:35] Daniel Kleinberg : Think the critical decision point this morning is should we adopt Tom's conclusions posted on Slack at 8.11 am.

[26/06/2020, 08:50:44] Daniel Kleinberg : I'm in a meeting to 11. Are [REDACTED] and [REDACTED] ok to action Andrews email of 2115 last night?

[26/06/2020, 08:52:56] [REDACTED]: Yes - we will do that, but await Andrew's views on Tom's conclusions.

[26/06/2020, 08:55:28] Daniel Kleinberg : I think the redraft he offers on the WHO advice on 1m needs to go in.

[26/06/2020, 10:02:31] Daniel Kleinberg : HSC directors this morning concluded Comms must be on Deep Dive call - no action for us as I think elinors team will pick that up with SGORR

[26/06/2020, 10:04:11] Daniel Kleinberg : I think today might be the first weekday (e.g. full registry services) when no deaths are notified, if confirmed.

[26/06/2020, 10:04:38] [REDACTED]: Thanks for the heads up. What amazing news if so!

[26/06/2020, 10:06:04] Daniel Kleinberg : Let's hope it's not just a trough...

English numbers getting stubborn.

[26/06/2020, 10:24:28] [REDACTED]: Andrew - about to send you the latest draft of the paper after taking on comments from slack for any final views you have - with changes tracked.

[26/06/2020, 10:27:28] [REDACTED]: We're now going to finalise the formatting of the references, which is currently inconsistent. We think end-notes would be best as some sections are highly referenced and others not at all (and footnotes would emphasise that). Shout if you have a strong preference otherwise.

[26/06/2020, 10:30:33] Daniel Kleinberg : Can we share draft in progress with Gregor?

[26/06/2020, 10:41:02] [REDACTED]: Done.

[26/06/2020, 10:48:33] Daniel Kleinberg : Just sent over Carol's note

[26/06/2020, 11:20:05] Daniel Kleinberg : Andrew - Richard agrees with my view.

[26/06/2020, 14:20:54] [REDACTED]: Andrew, just tried to call you. The briefing has had to be cancelled due to the ongoing incident in Glasgow.

[26/06/2020, 16:04:33] Andrew Morris: Thanks [REDACTED]

Very sad day

Andrew

[26/06/2020, 17:06:02] Daniel Kleinberg : Looks like we might be on for Monday at 1630

[26/06/2020, 17:07:01] [REDACTED]: Yes, FM keen for this to happen Monday. Andrew, could you confirm this is ok on your end?

[26/06/2020, 17:07:28] [REDACTED] SGORR have apologised again for having to cancel today at short notice.

[26/06/2020, 17:20:14] Andrew Morris: Thanks [REDACTED]

It is entirely understandable

No need to apologise at all

1630 works well on Monday

Please can you ask the team?

Thanks

Andrew

[26/06/2020, 17:57:47] [REDACTED]: Daniel - not sure if you're aware, but we routinely share AG papers with SAGE. I've asked [REDACTED] to delay that sharing until after the briefing on Monday.

[26/06/2020, 17:58:07] Daniel Kleinberg : Thank you.

[26/06/2020, 18:22:14] [REDACTED]: Andrew - could you let us know if you are content with the final version of the advice?

[26/06/2020, 18:25:40] Andrew Morris: I am sorry

And thank you

On US calls

When is the final deadline?

Andrew

[26/06/2020, 18:26:36] Daniel Kleinberg : Andrew - i don't think we are being chased. We said 26 June, so just as soon as you're ready.

[26/06/2020, 18:27:06] Daniel Kleinberg : Though [REDACTED] may wish a G&T after this week!

[26/06/2020, 18:27:13] Daniel Kleinberg : I know i do.

[26/06/2020, 18:29:38] [REDACTED]: Nearly G&T time!

[26/06/2020, 18:30:13] [REDACTED]: Andrew if you put a message on here once

you are content we will send.

[26/06/2020, 19:13:29] Andrew Morris: Content!!!!

Thank you all

Andrew

[26/06/2020, 19:14:16] [REDACTED]: Thanks Andrew. Enjoy your weekend.

[29/06/2020, 14:49:13] Daniel Kleinberg : Andrew - all relatively very quiet for a deep dive day. Do you need anything from us?

[29/06/2020, 15:16:06] Andrew Morris: Thanks Daniel

I think we are OK

Any tips or hints?

Andrew

[29/06/2020, 16:07:41] Daniel Kleinberg : [REDACTED]

No advice to a seasoned campaigner! At press conference earlier FM very keen to talk of elimination as an aim. I forwarded an exchange earlier that suggested the advice had landed ok with FM. The slide deck might raise some questions on Lighthouse turnaround times which DC can handle. And testing of close contacts. But Niamh on the line. If the chance to explore with FM whether she'd like the advice published arises.

[29/06/2020, 16:08:57] Andrew Morris: Thanks Daniel!

[29/06/2020, 16:18:17] Daniel Kleinberg : Just sent an email to you on the difference in the advice that went this morning cf Friday. In case she asks.

[29/06/2020, 16:28:30] Daniel Kleinberg : Andrew - are you on the call?

[29/06/2020, 17:17:14] Daniel Kleinberg : [REDACTED]

[29/06/2020, 17:44:31] Daniel Kleinberg : Great job Andrew and team. And thanks for raising publication question.

[29/06/2020, 17:58:55] Andrew Morris: Thanks Daniel

You teed us up well

Andrew

[01/07/2020, 12:59:24] Daniel Kleinberg : Andrew: colleagues would be keen to have somebody from our Comms team in addition to Michael Kellett. Would that be ok?

[01/07/2020, 13:31:00] Andrew Morris: Yes

[01/07/2020, 13:40:09] Daniel Kleinberg : Team - Michael Kellett and Pauline Aylesbury please.

[01/07/2020, 13:40:18] Daniel Kleinberg : Ty Andrew.

[01/07/2020, 13:40:37] [REDACTED]: Will extent the invitation to them

[01/07/2020, 13:42:24] Daniel Kleinberg : Great. [REDACTED] I think it would be reasonably straightforward to publish our 2m advice cutting off the superspreading. The references to the education sub group paper references all seem to be approach and forthcoming advice - so that's ok prima facie. Will review properly at 2.

[01/07/2020, 14:00:25] Daniel Kleinberg : Spoke to Gregor - let's add Jason L too.

[01/07/2020, 14:01:06] [REDACTED]: Will extent the invite to Jason

[01/07/2020, 15:41:44] [REDACTED]: Mark has provided a short paragraph on risk. Andrew/Daniel are you content with it?

[01/07/2020, 15:54:05] Daniel Kleinberg : Yes

[02/07/2020, 08:52:31] Daniel Kleinberg : Morning all - I'm in a Directors call until half-ten, so will miss our catch up. On skype chat or email though. Think we are set fair.

[02/07/2020, 08:53:24] Daniel Kleinberg : Andrew looking at superspreader advice and we need to agree how to style Mary b's participation. Andrew has emailed on that.

[02/07/2020, 12:08:56] Andrew Morris: How about

Andrew Morris (Chair)
Stephen Reicher
Angela Leitch (Mary Black; named deputy)
Devi Sridhar
Etc

[02/07/2020, 13:23:21] Daniel Kleinberg : This is a busy news day!

[02/07/2020, 13:24:03] Daniel Kleinberg : Perfect Andrew. [REDACTED]

[02/07/2020, 15:13:24] Daniel Kleinberg : Andrew - your SAGE note. Item 4 talks about transmissibility : is that connected to the COG UK work that FM sparked on at the deep dive?

[02/07/2020, 15:25:36] Andrew Morris: Thanks Daniel

Yes - I think so

Andrew

[02/07/2020, 15:26:54] Daniel Kleinberg : I'll flag that up to Private Office. Suspect FM will be interested.

[02/07/2020, 18:18:56] Daniel Kleinberg : Thanks Andrew. May need to tee Mark, Aziz and other presenters to do a bit more cooking of the material for us, but we will consider tomorrow. Ok from your perspective?

[02/07/2020, 18:38:21] Andrew Morris: Thanks all

Seemed to go OK but more discussion would have been good
Everyone engaged though

On Leicester can we include a bullet on need for data to flow to enable local response

Happy to talk through later Daniel

All best wishes

Andrew

[03/07/2020, 15:43:18] Daniel Kleinberg : Andrew - Gregor content that we could fund modest costs of a scientific writer. Would be good if you could prompt the group to identify a flexible individual. I presume we'd pay via invoice from the relevant university department.

[03/07/2020, 15:45:13] Daniel Kleinberg : Mark W New Statesman article on lockdown attracted Daily Mail interest. Our press line says we value Mark's advice and I let him know by phone as a courtesy. He'd asked his group affiliation not be mentioned but they did. Not authored as such though, so all good.

[03/07/2020, 17:31:35] [REDACTED] : Andrew - could you let us know here once you've looked at the Leicester response? Thanks

[03/07/2020, 17:45:52] Andrew Morris: Sorry for the delay

Very happy

Have a good weekend

Andrew

[07/07/2020, 21:42:39] Daniel Kleinberg : Might be worth reviewing slack in advance andrew. Good stuff

[07/07/2020, 22:10:17] Daniel Kleinberg : Andrew - email with you now. I've drafted as my summary - you could act as editor on that or we could present as your synthesis if preferable.

[07/07/2020, 22:10:52] Daniel Kleinberg : Suspect former might be better and easier but any views on my efforts very welcome.

[14/07/2020, 11:33:40] [REDACTED] Daniel Kleinberg added [REDACTED]

[14/07/2020, 11:31:26] Daniel Kleinberg : I have agreed with Gregor he doesn't need to clear membership in advance of his return from leave. Spoken to Marion who thinks Nicola Steedman should be on the group as DCMO - partly for testing link. Alerted Marion to the SLACK discussions on respite and care homes. ANDREW - we may need some time to discuss on Thursday.

[14/07/2020, 11:34:05] Daniel Kleinberg : Welcome [REDACTED]. Last message repost:

[14/07/2020, 14:38:38] [REDACTED]: Can I check Daniel...are the people on the previous list that SHB suggested still to be invited - are the names you discussed with him in addition to them?

[14/07/2020, 14:39:04] [REDACTED]: Ie you've not had a discussion where some invitees have been discounted?

[16/07/2020, 19:10:34] Daniel Kleinberg : Colleagues - just to say I am extremely proud of you all. Two group meetings in one day, three in a week and some very dexterous work behind the scenes. Much of it with me working in my 'home' directorate. Great job!

[16/07/2020, 19:11:13] [REDACTED]: Thanks Daniel - colleagues have been extremely supportive so much credit to them

[16/07/2020, 19:11:28] [REDACTED]: *you and them

[16/07/2020, 19:12:45] [REDACTED]: Thanks Daniel and Andrew - feels like a good end to a busy week.

[16/07/2020, 19:13:11] Daniel Kleinberg : Andrew - it's not my place to be proud of you, but it's a pleasure to work for you and the group.

[16/07/2020, 19:15:34] Daniel Kleinberg : I did have to leave that meeting three times.

[16/07/2020, 20:30:18] [REDACTED]: [REDACTED] Well done all for another excellent week!

[17/07/2020, 16:34:26] [REDACTED]: Andrew - Apologies for sending this so late in the day. Draft Advice on higher education is with you now.

[22/07/2020, 15:13:26] [REDACTED]: Andrew - grateful if you could give me a call to discuss the request we've forwarded from the ERG on Covid-19 and Ethnicity

[24/07/2020, 12:14:37] [REDACTED]: Hi Andrew - final draft of the advice is with you to clear. Thanks

[24/07/2020, 12:30:56] Andrew Morris: Thanks

I am snowed under but will get to you ASAP

A

[24/07/2020, 12:46:25] [REDACTED]: Thank you Andrew

[21/08/2020, 10:15:40] Daniel Kleinberg : I'll be out of action from 1-2.30 this afternoon :

[24/08/2020, 08:09:52] Daniel Kleinberg : Colleagues - I will be logging on late this morning. Probably in time to join the SAGE subgroup at 10.

[24/08/2020, 08:10:29] [REDACTED]: Thanks, noted.

[24/08/2020, 08:10:46] Daniel Kleinberg : Sorry - definitely by then! Very busy on face coverings this weekend but I see Andrew has caught up with Carol's heroic efforts.

[24/08/2020, 08:11:01] [REDACTED]: Thanks Daniel; see you then

[24/08/2020, 18:08:58] [REDACTED]: Hi, would appear that [REDACTED]

[24/08/2020, 18:09:15] [REDACTED]: Sorry - did not foresee that happening

[24/08/2020, 18:24:27] Daniel Kleinberg : Ok.

[14/09/2020, 09:53:15] Daniel Kleinberg : Andrew - when would be a good time to talk about the stocktake meeting later this week?

[14/09/2020, 09:58:05] [REDACTED] left

[19/09/2020, 13:41:06] Daniel Kleinberg : Andrew - don't expect anything until

this evening

[19/09/2020, 15:18:44] Andrew Morris: Thanks Daniel

I am poised!

I was thinking - we must not lose the outdoor differential risk

Andrew

[19/09/2020, 20:09:33] Daniel Kleinberg : Package might be tonight or tomorrow. I'll check at 9.30 and then call it a night.

[19/09/2020, 20:18:57] Andrew Morris: Thanks Daniel

[20/09/2020, 10:11:54] Daniel Kleinberg : Hi Andrew (and team). The material is currently awaiting clearance for release from FM. So, I don't yet know when (today) we will have it.

[20/09/2020, 10:16:42] Daniel Kleinberg :

so there may be a delay posting to SLACK depending on timing. But will be able to forward by email and might be around. Let's see when it comes!

[21/09/2020, 09:20:44] Daniel Kleinberg : Lots of stuff flying round. Sent key parts on. Key thing is to see who does what at 4. Emailed on that earlier.

[21/09/2020, 09:20:52] Daniel Kleinberg : Will take stock at 1.30.

[21/09/2020, 09:45:35] : Apologies Andrew - cross wires meant we didn't get onto the Zoom call for 09:30

[21/09/2020, 14:17:38] Daniel Kleinberg : So - for this afternoon we have a discussion reflecting on events since our EGM on Thursday (we should share the note). If Richard is attending he can provide an overview of the last few days and what we might expect next (and that could be done also by CMO or me). Nicola Steedman can provide a further update on the SAGE considerations including this morning. We can then ask questions of the group - based on my and Richard's exchanges. We will provide a slide for sharing. Probably share the table of options and other material but I'd like CMO or Richard to confirm. May have to wait until after the meeting.

[21/09/2020, 18:01:41] Daniel Kleinberg : Andrew - do you have your list of 10 points? And THANK YOU

[22/09/2020, 14:55:40] Daniel Kleinberg : FM talking about CMO AG and publication - worth looking at. No issues.

[24/09/2020, 14:43:08] : Interesting context for this morning's exchanges.

[24/09/2020, 15:29:31] Daniel Kleinberg :

[29/09/2020, 10:21:48] Daniel Kleinberg : Andrew - are you around for a chat?

[29/09/2020, 10:31:52] Andrew Morris: I shall call about 1200

[29/09/2020, 12:15:34] Daniel Kleinberg : Andrew - am around for next 15 minutes then next free at 1415

[30/09/2020, 13:34:17] Daniel Kleinberg : While I remember, [REDACTED] so will be offline Friday morning.

[05/10/2020, 10:04:14] [REDACTED] : Andrew - FM has just asked for the views of the group on the proposed measures.

[05/10/2020, 10:05:52] [REDACTED] : We're looking into this now to see when we'd need this by.

[05/10/2020, 12:19:08] Daniel Kleinberg : Back online at 1240

[05/10/2020, 13:12:12] Daniel Kleinberg : Can we take data and analytics first? Jim and Roger in FM meeting at 5. Otherwise need to postpone until next week.

[05/10/2020, 13:14:44] Daniel Kleinberg : Then that has me taking very briefly to a collation of the comments from devi, Steve, Jill so far

[12/10/2020, 17:15:55] Daniel Kleinberg : Andrew - that seemed to go well? My colleagues appreciated it.

[12/10/2020, 19:08:07] Daniel Kleinberg : Andrew - Niamh very pleased with the deep dive also apparently.

[12/10/2020, 19:23:16] Andrew Morris: Great!

[13/10/2020, 09:24:01] Daniel Kleinberg : Andrew - we didn't publish he/fe

[13/10/2020, 09:29:40] [REDACTED] : Only published advice so far is on physical distancing & superspreading (plus papers considered by the AG in April & May)

<https://www.gov.scot/groups/scottish-government-covid-19-advisory-group/>

[13/10/2020, 09:39:07] Daniel Kleinberg : And the subgroup looked at this but also didn't recommend all online, nor did they publish.

[13/10/2020, 09:39:16] Daniel Kleinberg : Looking to Xmas though...

[15/10/2020, 17:06:10] Daniel Kleinberg : Andrew - just copied you into a press line if you have a chance to consider.

[15/10/2020, 17:40:49] Andrew Morris: Looks OK

I am sure they will come back wanting more!

[15/10/2020, 17:41:36] [REDACTED] : Thanks Andrew. Yes; we suspect so.

[15/10/2020, 17:48:48] Daniel Kleinberg : An iron rule of government!

[16/10/2020, 15:12:59] Daniel Kleinberg : [REDACTED]

[16/10/2020, 18:29:40] [REDACTED] : Andrew - draft advice to Ministers on publication of Group papers coming your way - no immediate urgency but I would like to put forward on Monday - feel free to give me a call over the weekend if you want to discuss and that's more convenient for you

[16/10/2020, 18:47:31] Andrew Morris: Thanks Daniel - not unanticipated Will look at and call

Andrew

[16/10/2020, 19:05:16] Daniel Kleinberg : It's at our instigation Andrew. All ok.

[16/10/2020, 19:05:50] Daniel Kleinberg : Any views welcome.

[16/10/2020, 23:21:31] Andrew Morris: It all looks fine - thank you!

[16/10/2020, 23:26:53] [REDACTED] : Thanks Andrew

[16/10/2020, 23:29:26] Daniel Kleinberg : Thanks [REDACTED]

[30/10/2020, 14:22:50] [REDACTED]: All on track thanks. Just rounding up the last few papers but these should be out soon

[30/10/2020, 14:24:16] Daniel Kleinberg : GIF omitted

[02/11/2020, 10:11:56] Daniel Kleinberg : As per my conversation with him on Friday, have reinforced the importance of an SG update from Gregor at top of meeting. He's got FM, COBRA and press conference this morning so won't speak to him directly and Richard Foggo also stood up as emergency sub.

[02/11/2020, 10:28:36] Daniel Kleinberg : Suspect we will have him until 5 when there is a UK CMOs call.

[02/11/2020, 13:54:02] Daniel Kleinberg : Gregor confirmed and will do SG update.

[02/11/2020, 13:54:17] Daniel Kleinberg : May have to leave at 4.45 rather than 5

[16/11/2020, 11:56:33] [REDACTED]: [REDACTED] Chair's brief emailed to you for this afternoon's meeting

[16/11/2020, 11:56:50] Andrew Morris: Thank you!

[16/11/2020, 11:58:12] Daniel Kleinberg : Carol T back and coming back today.

[16/11/2020, 12:01:20] Andrew Morris: Sorry about this morning - there was an additional SAGE

[16/11/2020, 12:02:55] Daniel Kleinberg : All good. Gave me a chance to keep working on schools and HE/FE developments.

[16/11/2020, 12:11:34] Daniel Kleinberg : Back online in 40 minutes

[16/11/2020, 15:54:04] [REDACTED]: [REDACTED] Gary Gillespie has just sent his apologies. He has been pulled into a meeting with Cab Sec and then SGORR, so he won't make our meeting.

[18/11/2020, 12:56:18] Daniel Kleinberg : CMO supportive of Farrar FM deep dive. I'll minute FM now (when we are back online)

[18/11/2020, 15:44:31] Daniel Kleinberg : [REDACTED] Will finish up after Covid modelling meeting : then log off about 4. Ring me if you need me.

[20/11/2020, 16:18:10] Daniel Kleinberg : Andrew - how did the call with Gregor go?

[20/11/2020, 16:24:12] Andrew Morris: I had to ring off [REDACTED]

[20/11/2020, 16:28:42] Daniel Kleinberg : I've just spoken to him. Yes. [REDACTED]

[20/11/2020, 17:01:28] Daniel Kleinberg : It is sleight of hand. I was chairing a call between Gregor and the DSPH. I was chatting to the DSPH on vc beforehand [REDACTED]

[26/11/2020, 12:18:39] [REDACTED]: Andrew - latest is that Sir Jeremy can't make 3 December so that will be a normal meeting of the group. FM's Diary Secretary will contact Sir Jeremy's office directly to identify a suitable date - provisional on confirming that the date is also suitable for you. I'll be in touch once I hear anything.

[26/11/2020, 12:35:44] Andrew Morris: Thanks [REDACTED]

[03/12/2020, 12:30:51] [REDACTED]: Andrew - just sent you a Chair's brief for this afternoon's meeting

[03/12/2020, 13:24:28] Andrew Morris: Thank you [REDACTED]!!

[03/12/2020, 16:01:31] Andrew Morris: Please can you send again [REDACTED]

[16/12/2020, 10:31:15] Andrew Morris: Sorry for last minute request

[16/12/2020, 10:43:03] Daniel Kleinberg : Good luck!

[16/12/2020, 10:43:25] Daniel Kleinberg : We will have a plan for tonight that survives your not being able to connect.

[16/12/2020, 10:44:30] Daniel Kleinberg : Sorry- That last message for [REDACTED]

[16/12/2020, 13:56:35] Daniel Kleinberg : Just popping to post office.

[16/12/2020, 14:02:24] [REDACTED]: Andrew - Decision Time is taking place at 17:50 today and we're informed that there is a chance that Ministers may be running a few minutes late for the Deep Drive, but we have been assured that they will be online as soon as possible

[16/12/2020, 14:10:21] Andrew Morris: Thanks

Is that Decision Time on XMAS? Shall we start 1805?

Shall I let Jeremy know?

Andrew

[16/12/2020, 14:11:35] Daniel Kleinberg : Just the usual votes at end of parly business. By the time we've gathered she'll hopefully be on. FM's office aware

[16/12/2020, 16:43:21] Andrew Morris: Hi team

How many meetings of the group have we had?

A

[16/12/2020, 16:43:43] Daniel Kleinberg : Including deep dives?

[16/12/2020, 16:44:54] Daniel Kleinberg : 3 December was meeting 38, I think this will be our sixth deep dive.

[16/12/2020, 17:17:54] Daniel Kleinberg : Andrew - are you there?

[22/12/2020, 15:06:14] Daniel Kleinberg : Colleagues - I've invited Carol Tannahill onto this group for Xmas - likely her subgroup will meet on 6 Jan, day before us and so may be some choreography.

[22/12/2020, 15:11:00] Carol Tannahill: Carol Tannahill joined using this group's invite link

[22/12/2020, 16:08:12] Daniel Kleinberg : Colleagues - I've invited Carol Tannahill onto this group for Xmas - likely her subgroup will meet on 6 Jan, day before us and so may be some choreography.

[22/12/2020, 17:16:25] Carol Tannahill: Thanks Daniel. Great to be part of this select group. Much appreciated.

[22/12/2020, 17:26:39] Andrew Morris: Welcome and Happy Xmas!!

[22/12/2020, 17:27:31] Daniel Kleinberg : Sage note from me with you now Carol - Andrew's much fuller note coming very shortly.

[23/12/2020, 08:57:51] Daniel Kleinberg : Gregor has asked for a general review of the new variant in time to support the subgroup meeting on schools etc on 6 January. Andrew - can we talk about that this afternoon? Will email this morning.

[28/12/2020, 09:17:37] Daniel Kleinberg : Morning all. I hope Christmas looked like a break! I've just logged on and been through the boxes - no new material (bit of modelling aside) nor developments for the 30th, so I will come back on tomorrow with [REDACTED] to finalise the papers.

[28/12/2020, 09:20:09] Andrew Morris: Morning Daniel and team

I hope you enjoyed some richly deserved downtime

I look forward to seeing you on Wednesday

Schools will inevitably be the big policy decision

Andrew

[28/12/2020, 09:33:54] Carol Tannahill: Good morning everyone. Hope you all had a happy Christmas and some welcome time away from work. Thanks for the update, Daniel. I'll be on tomorrow morning - we have a call with DFM about schools - and will update you after that. C

[29/12/2020, 11:33:19] Carol Tannahill: Good morning team. DFM now looking for subgroup advice before next week. We'll try to get as many members as possible together on Thursday. C

[29/12/2020, 12:28:14] [REDACTED]: Carol - we'll get the report of tomorrow's meeting turned round as quickly as we can so your group will have it ahead of their meeting - but, given the now very short time between meetings, would you like any of your members to be invited as observers tomorrow, subject to Andrew's agreement?

[29/12/2020, 12:33:00] Carol Tannahill: Thanks [REDACTED]. Very much appreciate the offer of a quick turnaround of the meeting note. I think we'll have Devi, Marion and myself all at tomorrow's AG mtg so I we're probably covered on visibility of the evidence and the discussion. But I really appreciate the offer, thanks.

[29/12/2020, 12:35:25] Daniel Kleinberg : 👍

[29/12/2020, 12:35:41] Daniel Kleinberg : I suspect SAGE74 will be the meat of it.

[30/12/2020, 15:44:20] Daniel Kleinberg : I've invited joe Griffin for compliance also.

[30/12/2020, 15:44:37] Daniel Kleinberg : We may have a fair few DDs on....

[30/12/2020, 15:44:55] Daniel Kleinberg : I'll seek to tighten the reins again next time

[30/12/2020, 15:46:04] Daniel Kleinberg : CMO has press commitment at 1630 but will be with us

[30/12/2020, 15:46:19] Andrew Morris: Great - they are very welcome - please let me know who are "first timers" so that I can acknowledge them

Andrew

[30/12/2020, 19:32:10] Daniel Kleinberg : Draft note for subgroup with Andrew Carol and others now.

[30/12/2020, 19:34:57] [REDACTED]: Well done Daniel - give me a shout if you need anything tomorrow. Otherwise, have a guid New Year, once it comes.

[30/12/2020, 19:37:59] Carol Tannahill: Many thanks for turning this around so efficiently Daniel. Looks good from a quick skim. I'll have a further look in

the morning if that's helpful. Thanks again.

[30/12/2020, 19:40:10] Daniel Kleinberg : It needs work. But thanks. I'll join tomorrow and work throughout the day.

[04/01/2021, 10:40:59] Daniel Kleinberg : ██████████ - Happy New Year! Let's catch up as normal tomorrow.

[04/01/2021, 13:05:21] ██████████: Happy New Year all! - speak to you tomorrow Daniel

[06/01/2021, 11:39:40] Carol Tannahill: Daniel Kleinberg removed Carol Tannahill

[06/01/2021, 11:40:01] Daniel Kleinberg : Shall we use this for our call?

[07/01/2021, 09:09:08] Daniel Kleinberg : Morning. ██████████

██████████ Back on line at 1230 and expecting to attend Sage

[07/01/2021, 09:43:12] Daniel Kleinberg : Sent on an exchange with Devi.

[07/01/2021, 10:00:25] Andrew Morris: Thanks Daniel!

[07/01/2021, 15:45:10] Daniel Kleinberg : Andrew - do you have the sage papers?

[15/01/2021, 14:05:23] Daniel Kleinberg : Andrew - FM asking if she can join the next meeting of the group to discuss 2021. Can we discuss a response?
