25/04/2020, 17:37 - [redacted S.38(1)(b)]: Hi a media query has come in with a deadline for 630pm with a journalist asking why we can't lift the £25,000 grant threshold for businesses with a rateable value of £51,000. Do we have a line for this or should I send to business rates colleagues? Apologies for random message! Thanks in advance, [redacted S.38(1)(b)]

25/04/2020, 17:38 - [redacted S.38(1)(b)]: Hello, send to business rates colleagues as they hold the lines for NDR
