

Annex

While our aim is to provide information whenever possible, in this instance the Scottish Government does not have some of the information you have requested.

The Scottish Government does not hold an individual breakdown of total cost of upkeep for each individual car on its fleet for the years 2020 /21, 2021 /22 and 2022 /23, as this information was deleted as part of a data migration process when moving to a new fleet management software package, in accordance with our standard records management practice before the date of your request.

This is a formal notice under section 17(1) of FOISA that the Scottish Government does not have the information you have requested.

We do however hold the total overall costs for upkeep of the fleet which are provided below.

Year	Total cost of maintenance and fuel (1)
2020 / 21	£251,513
2021 / 22	£425,232
2022 / 23	£480,584

- 1. Includes fuel costs for both fleet and some hire vehicles, and maintenance for both fleet, plant and equipment.*
