Year	Total mileage
2023	542,914
2024 (up to 31/10/2024)	364,603

While our aim is to provide information whenever possible, in this instance the Scottish Government does not have some the information you have requested.

The Scottish Government does not have the information you have asked for regarding total mileage for 2022 as this information has been routinely destroyed prior to the date of your request.

We also do not hold a breakdown of mileage per Minister. Government Car Service vehicles and drivers are operated as shared resources, and as a consequence frequently cover multiple customers throughout that day. We therefore we do not record mileages for individual customers or journeys.

We are unable to provide estimated costs for the total mileage covered, however details on fuel and maintenance, broken down by FY is provided below.

This is a formal notice under section 17(1) of FOISA that the Scottish Government does not have the information you have requested.

GCS Maintenance and Fuel costs.

Year	Vehicle maintenance	Fuel costs
