Blue finance's role in promoting sustainable capital markets in emerging markets and developing economies	<p>T Rowe Price and IFC discussing the development of a more established blue bond market and plans to publish a strategy/framework soon. Panellists keen to attract investment into water issues – utilities, clean water, sanitation, disease prevention, recycling etc. by building on ICMA guidance to crowd in investment.</p> <p>Blue is something that governments and private sector need to take more seriously – what gets measured, gets managed and water is a prime example of tragedy of the commons.</p> <p>Current scepticism on blue bonds echoes the experience on green bonds 10 years ago.</p>	icmagroup.org/assets/documents/Sustainable-finance/Bonds-to-Finance-the-Sustainable-Blue-Economy-a-Practitioners-Guide-September-2023.pdf
