This relates to the discussion re SQA. It crept in just before I went on leave and I didn't get a chance to read it properly. I've highlighted a bit in yellow and will ask [REDACTED: REGULATION 11(2)]/ [REDACTED: REGULATION 11(2)] if that's one of their requirements, [REDACTED: REGULATION 10(4)(e)].

Draft wording for inclusion

[REDACTED: REGULATION 10(4)(e)]

[REDACTED: REGULATION 10(4)(e)]

[REDACTED: REGULATION 11(2)]and [REDACTED: REGULATION 11(2)]– suggest I arrange a meeting to clarify position and probably produce update for Ministers for the Land-Based Learning recommendation. Are there others we should involve?

On the more substantive issue of Game and Wildlife Apprenticeships/skills, the relevant sectoral policy teams best placed to lead (Wildlife management and Peatland?) on establishing issue and possible options to address. **[REDACTED: REGULATION 11(2)]and [REDACTED: REGULATION 11(2)]**– would this involve you too?

Next week I'm available at the following times:

Tuesday 13.00 – 15.00
Wednesday 15.00 – 17.00
Friday 13.00 – 17.00

Do any of those times suit you?

Yes – please hold 2-4pm on Monday 18th for now please. I have emailed [REDACTED: REGULATION 11(2)] and SQA colleagues to see if they are available for 1 hour during this time.

I'd worked around availability and [REDACTED: REGULATION 11(2)] annual leave hence best date was 27th, but it will be beneficial all round to have this sooner particularly given Ministers interest in this.

Hi all

We have now met SQA to discuss the quals aspect of this [REDACTED: REGULATION 10(5)(f)]

I wasn't sure what the next steps are in the development process, but given the Ministerial interest in this, do you think it would be helpful to have a meeting between SDS, SQA and Nature Scot where we could potentially have a discussion [REDACTED: REGULATION 10(5)(f)]

We'd be happy to facilitate this but conscious there may be is already a meeting planned, grateful if you could let me know.

Many thanks and happy to discuss if easier.

Hi [REDACTED: REGULATION 11(2)],

I've caught up with [REDACTED: REGULATION 11(2)], yes it will be great to meet with you if you are still available tomorrow (Wednesday) at 3-3.30pm.

A little bit of diary shuffling needed at our end but at least 2 of us ([REDACTED: REGULATION 11(2)]/[REDACTED: REGULATION 11(2)]/me) will be on the call.

I will set up a Teams meeting.

Thanks and regards

Subject: Land and Nature Apprenticeships - Qualification Development next steps - action points from meeting on 19 November

Hi all,

Many thanks for your time today, I thought it might be helpful to summarise the action from today's meeting. SQA colleagues, I don't have email addresses for [REDACTED: REGULATION 11(2)], [REDACTED: REGULATION 11(2)] or [REDACTED: REGULATION 11(2)] grateful if you could forward this on.

Actions

- **SQA** to share business case for Land and Nature qualifications with Nature Scot asap.
- **Nature Scot** to pull together additional information on demand and any other relevant evidence, and submit to SQA before Christmas, liaising with SQA on this additional evidence as required.

- **SDS and SQA** to share their joint work plan with SG asap, even if just in unsigned off draft at this stage.
- **SG and SQA** to meet to discuss the quals development process. (I'll suggest some dates separately – probably useful to have the joint plan before this meeting)
- **SG** to arrange a progress meeting in mid Dec.

Hope that captures everything, please let me know if there are any questions.

Please can you give me availability for the following dates for a progress meeting:

4-5pm, Tues 10 Dec
1-2pm, Wed 11 Dec
4-5pm, Wed 11 Dec
9-11am, Fri 13 Dec

Many thanks

Hi [REDACTED: REGULATION 11(2)],

Thanks for earlier discussion. Please find link to the drafted lines on why SG considers peatland a priority sector for feeding in to NatureScot's evidence pack on the apprenticeship frameworks. Largely taken from our existing core brief:

Lines on peatland – SG priority – for inclusion in NS business case

Could you consider and provide similar from a wildlife point of view? Happy to collate both and send across to NS. Given the timescales discussed I'd like to send these across by the middle of next week if possible.

Many thanks.

Subject: RE: Evidence to support business case to review/support SVQs underpinning the Land & Nature-based Apprenticeships

Hi [REDACTED: REGULATION 11(2)],
cc. [REDACTED: REGULATION 11(2)]

[REDACTED: REGULATION 11(2)] sent me a doc. on SG priorities for peatland but also suggested “[REDACTED: REGULATION 11(2)] may be providing something more specific on wildlife management”. If that’s the case it might be sensible to wait until I’ve got that before combining documents. By ‘combining’ I’m just intending to add these two docs. as annexes. However, if [REDACTED: REGULATION 11(2)] isn’t going to send me something (could you indicate [REDACTED: REGULATION 11(2)]?) then I can just do that now.

[REDACTED: REGULATION 10(5)(f)]

[REDACTED: REGULATION 10(5)(f)]([REDACTED: REGULATION 11(2)]) [REDACTED: REGULATION 10(5)(f)]

I think it’d be good to get this idea out and on table now, but recognize of course its your call in terms of how you want to proceed.

Best

Thanks [REDACTED: REGULATION 11(2)], I understand colleagues in Nature Division have shared with you SG priorities for land and nature, it would be really helpful if these 2 documents could be combined and circulated in advance of the meeting next Wednesday.

On the other actions from the meeting on 19 Nov, SQA colleagues, could you confirm that you have shared the business case with Nature Scot as agreed?

Many thanks

Hi [REDACTED: REGULATION 11(2)],
cc.

As per action points of the meeting last week, I attach a short (2 sides of A4) summary of evidence of future demand that has emerged from the current Rural Skills & Game & Wildlife Apprenticeship Research. I also include evidence from other reports and summarize some key policies/ projects likely to drive further demand going forwards.

I hope you and the other stakeholders cc'd here find this helpful. I look forward to discussing next steps on the 11th December, but let me know if you 've any questions about the attached in the meantime.

Best

Subject: Land use - apologies

Hi [REDACTED: REGULATION 11(2)],

Profound apologies for missing this afternoon's planned meeting. [REDACTED: OUT OF SCOPE]

However, I gather from [REDACTED: REGULATION 11(2)]and [REDACTED: REGULATION 11(2)] that you had a useful discussion[REDACTED: REGULATION 10(5)(f)]

I had prepared a few slides to take you through which I have attached for you now, and which I hope provides a simple overview of the situation.

If you would still find it helpful to have a quick run through of this with me, we could perhaps find a quick half hour next week.

Have a great weekend.

Best wishes and apologies again.
