Dear Anna,

<Redacted>

I just wanted to flag that I met with gender based violence leads in Boards yesterday to discuss coercion and sex selective abortion.

<Redacted>

Hopefully we will get some written comments too, but sharing the above to aid discussions with the Expert Group at our next meeting.

Best wishes,

**Subject:** SPAD VIEW: Media query: Daily Mail - abortion laws

Spads,

The Daily Mail have asked for a response to calls from Lets Change The Act for the 24 week abortion limit to be scrapped:

*There is a campaign called Lets Change The Act which is calling for the 24-week abortion limit to be scrapped and for 'full decriminalisation' of abortion in Scotland*

*right up to birth for any reason including sex- selective purposes for those having, providing or assisting with an abortion. Those against it claim it is 'extreme' and 'inhumane'.*

Thanks
