Signature Date
Name (please print) Phone number

Return of Scottish Salmon and Sea Trout Rod Catches 2021

The enclosed letter provides some background information regarding this form. Please ensure that you return the completed form as soon as possible after the end of the fishing season and **not later than 31st December 2021**. Failure to return a completed form within the required timescale, or to make a false statement is an offence. The maximum penalty is £1,000.

If you fish more than one river, you are required to report your catch for each river separately. If the fisheries listed in part 4 cover more than one river, please contact us using the information above to arrange separate forms for each river.

Part 1 Data Privacy

To allow us to identify which of the data we hold are personal, we need to know your legal status as you report the data to us (or the legal status of your client, if you are reporting catches as their agent). Please indicate if you are reporting catch and fishery information as, or on behalf of:

An individual	An angling club or association	A partnership of		A sole trader	A trading company	A charitable organisation	A public or statutory body
		3 or fewer	4 or more				

Other (please provide details):

Part 2 Recording a Nil Return

Part 4 describes potential fisheries covered by this form. Even if no fishing took place this year we still need to hear from you. *A return indicating that no fishing took place provides us with valuable information.*

If fishing took place by rod & line during the 2021 season, **please go to part 3**

If no fishing took place during the 2021 season **tick this box and complete parts 4 and 5**

If there is no intention to fish in this area for the foreseeable future and you would like the fishery to be treated as a dormant fishery, **please tick this box.**

From 2021 season onwards, retained and released net catches require to be reported. If you require a net form please contact us or download a blank form from <https://www.gov.scot/publications/marine-publications-collecting-salmon-and-sea-trout-fishery-data/>
