

- Existing regional working in flux (transport, planning etc).
- Public private partnership and cross boundary partnership more important than ever.
- City Region Deal the catalyst.
- Inclusive, sustainable growth is the driver.

Context: Current National Government Reforms

Reform	Govt	Date Introduced	Key Proposed Measures from Govt	Opportunities for Partners
Enterprise and Skills Review	Scottish	Summer 17 (Phase 2)	Local authorities in receipt of City Region Deal investment required to establish a regional economic partnership and develop a 'clear and comprehensive economic vision.	<ul style="list-style-type: none"> Partners can shape structure to be bespoke to area. Partners to develop their own inclusive growth framework.
Planning Review	Scottish	Dec 17	Amendment 116 to replace SDPs with statutory Strategic Development Reports which would have a spatial strategy but not form part of the development plan.	<ul style="list-style-type: none"> Long term spatial strategy could be developed in partnership. Whatever happens as a result of the Planning Bill, there will still be a need to prepare an Action Programme for SDP 2, and that will have several strategic infrastructure projects in it. CEC has been asked to lead on preparing the SDP 2 Action Plan.
National Transport Policy Review	Scottish	May 16	Refresh of 2006 strategy to account for changing circumstances. To be complete in the lifetime of this current Parliament.	<ul style="list-style-type: none"> Partners can suggest an RTP Model 3. Establish Transport Appraisal Board to ensure: <ul style="list-style-type: none"> West Edinburgh is developed collaboratively with Transport Scotland Shared ambition for Sheriffhall, and underspend (view to reinvest?) Forum to raise any other regional transport issues. Potential to further utilise TAB to develop/implement non-City Deal projects.
Local Governance Review	Scottish	Consultation ongoing	Devolving power to local levels	<ul style="list-style-type: none"> Joint bid for more power for local councils
Community Empowerment (Scotland) Act	Scottish	2015	New rights to community bodies and new duties to public sector authorities.	Focus on national outcomes. Improvement Plans for local areas informed by local people.
Public Duties (Joint Working) (Scotland) Act	Scottish	2014	Integration of adult health and social care.	Creation of Strategic Plans for Integrated Joint Boards. Promotion of person-centred approach.

ESES City Region Deal Governance Structure

Opportunities for Shared Working

Development of the Forth

Regional economic planning:
e.g. regional tourism strategy

Exploiting data-driven innovation

Delivery of big transport infrastructure:
particularly cross-boundary

Out of Scope

Some shared services
(e.g. Finance)

Community Planning /
Local Outcome Planning

This is NOT a return to regional
government. Local accountability
to be retained.

Regional Enterprise Council Membership
