

HPSG Actions from 11 June 2019 Meeting

What	Action	Responsibility	Progress/Status
Action plan	Revise colour coding of stocktake document and add a new line into the stocktake document to track work to combat social isolation for people at risk of or experiencing homelessness. Members to consider how they can feed into the stocktake document in order to evidence progress being made against the EHT plan.	SG and HPSG members	<p>Document formatting updated</p> <p>Meetings held, where possible, between SG team and HPSG members between meetings to capture actions being taken by member organisations where these align with the Ending Homelessness Together Programme - these have begun to be included in the documentation</p> <p>However, members are asked to please consider and highlight additional action areas their organisations are undertaking to ensure the programme document captures the range of activity</p>
Publication of the Centre for Homelessness Impact's (CHI) options appraisal on rough sleeping data collection	Feedback HPSG members' comments to CHI	SG	Feedback was provided to CHI and will also be considered by SG in taking this work forward. (For reference, the Options Appraisal was published on 22 May)
Prevention pathways for care leavers	Members' comments to be fed back to the group developing the care leavers pathway	SG and A Way Home Scotland	Three meetings have taken place so far, the last on 28th of August. The group has made good progress with the drafting of the pathway. A substantive draft, including recommendations is undergoing a process of comment and refinement by members.

<p>Public perceptions</p>	<p>Comments from members to be fed into the public perceptions work and plans to bring the frontline and those with lived experience into this work to be developed and fed back to HPSG. David to share Street Soccer anti-stigma work.</p>	<p>SG and Street Soccer</p>	<p>Following feedback from partners on how we can best change the public perception of homelessness, a set of style guidelines is nearing completion.</p> <p>Partners will start to use the language outlined in the style guidelines from October and we hope our partners will join us at a press event in early 2020 to encourage the media to adopt the style guidelines.</p>
<p>RRTP</p>	<p>Communication to be sent out about next steps for rapid rehousing.</p> <p>A housing leads event to be organised for the autumn.</p>	<p>SG</p> <p>COSLA</p>	<p>Communication sent out about next steps for rapid rehousing. The Minister and COSLA Convenor announced funding for the first year of RRTPs (2019/20) in July. Currently the team are reviewing the second iterations/responses and will feedback to local authorities.</p> <p>Kathy to organise housing leads event for 8 November 2019.</p>
