

## MENTAL HEALTH STRATEGY – REPORT ON PROGRESS – ACTION 10

<b>Date of report</b>	28 June 2019
<b>Date of last report</b>	7 December 2019
<b>Project end date</b>	N/A
<b>Action Number</b>	10
<b>Action Owner (s)</b>	Patrick McAuley
<b>Action Link</b>	TBC – await C2 coming into post
<b>Action Text</b>	Supports efforts through a refreshed Justice Strategy to help improve mental health outcomes for those in the justice system.

<b>Progress Update from Previous report</b>	RAG
1. Updates relate to the Enhanced Mental Health Pathway – this is covered in the report for Action 15.	Amber

<b>Key Deliverables in next 6 months (include estimated date for each deliverable)</b>	RAG
1. See update for Action 15 on the Enhanced Mental Health Pathway. There is also the development of a Distress Board which is being taken forward by Jacques Kerr and comes under the remit of the Health and Justice Collaboration Improvement Board.	Amber

<b>What does success look like?</b>
1. The promotion and implementation of approaches that promote good mental health of people who come into contact with the Justice system.

<b>What data (if any) can evidence delivery?</b>
1. Action 15 of the Mental Health Strategy is to increase the mental health workforce in key settings including prisons and police custody suites. Figures will be available to demonstrate how the mental health workforce in these justice settings has increased.
2. An evaluation on the Enhanced Mental Health Pathway is expected in September subject to resources within NHS24.

<b>Any other comments</b>	N/A
