Evaluation comments - Include your top five comments from evaluations

1. **Small Changes can be made which can have a large impact on Global Citizenship** (Highland Teacher)
2. **I really enjoyed the practical activities, opportunities for debate and discussion and ideas we can implement in class. I will aim to embed this in my practice. Thank you!** (Secondary Teacher, Glasgow December 2017)
3. **Pupils generally feel more empathy and have a better understanding when courses are built around Global Citizenship** (Teacher, Dundee)
4. **It (The course) makes you think about what you do-opens up thoughts on Global and Local Citizenship and helps with ideas as to how to tackle this subject.** (Teacher, Edinburgh)
5. **Great links to Rights Respecting Schools. As coordinator I'll use some of these resources.** (Teacher, Aberdeen)
